joint status report relating to *Community Health Foundation of P.R. Inc.’s Motion for Allowance and Payment of Administrative Expense* [ECF No. 18602] (the “Motion”), stating as follows:

**Status Report**

1. Pursuant to the Court’s *Order Setting Deadline for a Status Report Concerning Community Health Foundation of P.R. Inc.’s Motion for Allowance and Payment of Administrative Expense* [ECF No. 22682] (the “October Order”), on October 28, 2022, the Parties filed a *Joint Status Report Concerning Community Health Foundation of P.R. Inc.’s Motion for Allowance and Payment of Administrative Expense* [ECF No. 22736] (the “October Status Report”). As requested in the October Order, the October Status Report laid out the Parties’ positions regarding the issues that remained in dispute in connection with the Motion, the documents and information necessary to resolve those issues, and the Parties’ proposed schedule for exchanging such documents and information. The October Status Report also requested that the Motion be adjourned from the November 2, 2022 omnibus hearing to the December 14, 2022 omnibus hearing. *Id.* ¶ 11.

2. After the October Status Report was filed, CHF provided to the Oversight Board certain documents and information described in paragraphs 5 through 7 of the October Status Report. The Parties also entered into the agreement contemplated by paragraph 8 of the October Status Report governing the confidentiality of such documentation. The Oversight Board and its advisors began analyzing these documents to determine what CHF’s PPS rate should be for the years 2020 and 2021, what wraparound payments, if any, are owed to CHF, and whether any additional information is needed from CHF to complete their analysis.

3. On November 29, 2022, the Parties filed another *Status Report Concerning Community Health Foundation of P.R. Inc.’s Motion for Allowance and Payment of Administrative Expense* [ECF No. 22932] (the “November Status Report”). The November Status Report

explained that the Oversight Board and its advisors were in the process of reviewing the documentation provided by CHF, as well as documentation provided by the Puerto Rico Department of Health and the Puerto Rico Health Insurance Program discussed in paragraphs 9 and 10 of the October Status Report. The November Status Report requested that, in order to allow the Oversight Board and its advisors time to complete its analysis, the hearing on the Motion be adjourned to the omnibus hearing scheduled for February 1, 2023. On December 1, 2022, the Court granted the Parties' request and set the Motion for hearing in connection with the February 1, 2023, omnibus hearing. *Order Adjourning Hearing Concerning Community Health Foundation of P.R. Inc.'s Motion for Allowance and Payment of Administrative Expense* [ECF No. 22952].

4. Since the Parties filed the November Status Report, the Oversight Board and its advisors completed their analysis of the documentation provided by CHF. The Oversight Board's position is that this analysis showed discrepancies between some components of the wraparound payment formula as stated in Exhibit A to the Motion and the information reflected in the backup documentation that CHF provided. On January 11, 2023, the Oversight Board sought clarification as to these discrepancies and provided CHF with a list of information required to validate information CHF provided in support of its claims. On January 20, 2023, CHF provided its response to the Oversight Board's most recent request. In said response, CHF addressed specific inquiries raised by the Oversight Board, referred to previously furnished information and provided newly requested documentation. The Oversight Board and its advisors intend to evaluate CHF's response and the newly provided information, incorporate that information into their analysis, and determine if any additional information or documentation is needed.

5. In order to allow sufficient time for the Oversight Board and its advisors to incorporate such information into their analysis and for the Parties to discuss their positions as to

the Oversight Board's resulting analysis of the relevant information, the Parties respectfully request that the hearing in connection with the Motion be adjourned to the Omnibus Hearing scheduled for March 15, 2023.
